BLOCK SIZE SMALL**TYPE** Text**CONTENT** In this section I would like to get an idea of the people who are a part of your life during the last 6 months you were in prison.**BLOCK SIZE** SMALL**TYPE** Text**CONTENT** These people might be friends, family members, sex partners, health care professionals, people who work in the prison like SAP clinicians or COs, or other people you might know. You can name both children and adults. Also, you can name people you were in prison with as well as people who are not incarcerated.**BLOCK SIZE** SMALL**TYPE** Text**CONTENT** While we understand the importance and influence of people in your life that are deceased or the role of God, this section of the interview will only collect the names of people who were alive at some point during the last 6 months of your incarceration.**BLOCK SIZE** SMALL**TYPE** Text**CONTENT** Please try to name everyone that fits the description as I ask these questions.

We only want the person's first name and the first initial of their last name (for example, John D for John Doe). You can also use a nickname. Please note we are not contacting the people you name and all the information you tell us today will be kept strictly confidential.
