INTRODUCTION PANEL

Name linkage

To understand who is connected to whom, we would like to be able to connect your responses to those of your contacts who live in this area. This data will allow us to understand how behaviour and health spreads in your community. To do this we need to ask you some questions that will help us to identify the people you have spoken to us about. I will now ask you about your each of your contacts. If we come to any question that you don't want to answer, you can skip it and go onto the next question.

FORM

VARIABLE	COMPONENT	PROMPT
IntFirstName	Text	4.1. What is this person's first name?
IntFirstNameOther	Text	4.2. Does this person have any other first names?
IntLastName	Text	4.3. What is this person's last name?
IntLastNameOther	Text	4.4. Has this person previously had any other last names?
IntNickname	Text	Please tell us any nicknames this person has? (If none, enter 'none')
IntMotherName	Text	4.7. What is this person's mother's name?
